

## **PRIMARY TRAUMA CARE WORKSHOP GAMPOLA**

22<sup>nd</sup> June 2004

Gampola is situated in the Kandy district of the Central province. The hospital which was initially a Base hospital is now being upgraded and has SHOs and registrars. The bed strength is 240. At present the station has a Surgeon, Physician, Obstetrician, Pediatrician and an ENT surgeon. The Anaesthetic services are by a Senior registrar and House officers. A 4 bedded intensive care unit with ventilatory facilities is now ready to be used.

The workshop was arranged by the Surgeon and the SR in Anaesthesia.

### **The resource personnel were**

Dr. Shirani Hapuarachchi - Consultant Anaesthetist NHSL

Dr. Ranjith Ellawala - Consultant Surgeon police Hospital

Dr. Thusith Wickrama - Consultant Anaesthetist NHSL

Dr. Saman Karunatileka - Consultant anaesthetist General Hospital Kandy

The hospital is situated about 120 kilometers away from Colombo. We started off at 4.00am from Colombo so that we could start the workshop on time. It was held in an auditorium up a hill which is one of the most beautiful hills in Kandy (see photos).
